

## Game Rules (12/4/2020)

Note: The Cosmic Voyager video slot is referred to as Cosmic Voyager, The Game or Game.

1. Cosmic Voyager is a video slot with 5 reels and 10 pay lines. The game features Wild Scatters, an Expanding symbols feature and a Bonus game with free spins and retriggers. The theoretical return to player is 96.14%.
2. A game round is started with the action button and plays the game with the selected bet level.
3. No bets can be altered during a game round.
4. Auto play plays the game automatically for the number of game rounds selected in the auto play page.
5. All game payout and win combinations are paid out according to the pay table.
6. All pay line and scatter wins during a game round are added and presented at the end of the game round.
7. All wins are presented and paid out in the selected currency.
8. Only the longest win per pay line is paid out, if in sequence from leftmost to right and in combinations according to the pay table.
9. The Cosmic Voyager symbol is a Scatter and a Wild symbol and substitutes for all symbols both in the Base game and the Bonus game. This symbol can generate both scatter pay and pay line wins, according to the pay table.
10. Expanding symbols feature: 3 stacked symbols on the first reel trigger the Expanding symbols feature. Any symbol identical to the stacked symbols on reel 1 that is included in a winning combination on a subsequent reel, will become an expanding symbol growing to cover its entire reel. The symbols do not need to appear adjacent to become expanding symbols.  
  
In the Bonus game, one (or more) mid or high paying symbol on reel one will expand and become 3 stacked symbols triggering the Expanding symbols feature.  
  
For reference, the mid-pay symbols are the blue pyramid, the green cube and the orange icosahedron. The high-pay symbols are the star symbol and the golden mask symbol.  
  
The Cosmic Voyager symbol never expands.
11. 3 (or more) Cosmic Voyager symbols during the Base game trigger the Bonus game, awarding 10 free spins.  
  
3 (or more) Cosmic Voyager symbols during the Bonus game award an additional 10 free spins.
12. The maximum total bet multiplier for one game round is 5000. If this limit is reached the game round will be terminated and no additional wins will be paid out.
13. The Bonus game is played with the same bet as the spin that triggered the Bonus game.
14. In the event of game malfunction all affected bets and pays are rendered void.

Button	Function
	Click to start a game round. On desktop you may also press the space bar on your keyboard. This is the action button.
	Display bet settings.
