  - If an Expanding Devil symbol expands through one or two Multiplier Wild symbols, it turns into a multiplier (value x2) that is applied to the whole reel. If a winning combination includes more than one Expanding Devil symbol with a multiplier, the multiplier values will be multiplied together and then applied to the win. The total multiplier from Multiplier Wild symbols forming part of a single pay line ranges from x2 to x64.
- 3 Scatter symbols landing anywhere on reels 3-5 will trigger the Bonus Game consisting of 7 free spins. In the Bonus game, Expanding Devil symbols landing anywhere on reels 3-5 will activate that reel for the remainder of the Bonus Game. The activated reel will automatically introduce a new Expanding Devil symbol on that reel with every spin. If the Expanding Devil symbol is part of a winning combination, the symbol expands to cover the entire reel and make the whole reel wild. It will not act as wild if not expanded.
  - An Expanding Devil symbol landing on any of the reels 3-5 awards 3 new free Spins, up to 9 free spins per bonus game (one retrigger per reel).
- The Bonus Game is played with the same bet as the spin that triggered the Bonus Game.
- No bets can be altered during a game round.
- In the event of game malfunction all affected bets and pays are rendered void.
